

Did you use the internets? Y / N

In honor of *Time Magazine*'s seriously lame and generally ridiculed declaration that **YOU** were the 2006 Person of the Year, we've decided to make **YOU** the authors of this bonus. With Youtube and Wikipedia taking over the world, we've decided to play a dangerous game. A game called **WikiTrivia**.

You thought you'd stumped the chumps, eh? Well, now you're stumping yourselves.

Enjoy.

Team: We Are the Mediocre Presidents

Bonus: Toyland!

Q#1: What very popular toy was originally invented as a non-toxic substance to clean wallpaper?

Q#2: We all know the architect Frank Lloyd Wright. But what successful toy was invented by his son?

Q#3: 750,000,000,000 of which living creatures were sold as part of their own toy sensation?

Q#4: Which top-selling toy has its origins in a New Haven bakery?

Q#5: Who are the unloved Spud and Yam?

Q#6: What game was originally rejected for having over 50 "fundamental errors" in gameplay? (In case it's not too obvious, the game did pretty well anyhow.)

Q#7: In which geographical location does the board game Candyland take place?

Q#8: What popular toy contained anti-freeze?

Q#9: What popular toy is 80 feet long?

Q#10: What is the most successful game ever to be invented on a yacht?

Team: Oxford

British Trivia
