Part II: Who Survived/Who Died (and How)

Tell us if they survived (as of the end of Angel--ignoring the comics), or if they died. If they died, tell us how (in as much detail as you can--"beheaded by Buffy" is preferable to "killed by Buffy" is preferable to "died"). A few caveats:

- a. vampires. Yes, that counts as dying. You need to tell us 1) who sired them, if we know (even if it happened before the beginning of the Buffy timeline), and then 2) whether their vampire self survived or died, and how.
- b. resurrected characters (we seem to have a lot of those). Tell us how they died, and how they came back (and any subsequent times that they died and came back)
