

Welcome to your first of two super boni throughout the contest! Have you been waiting patiently for last few year for your letter from Hogwarts? I hate to break it to you, but it's not coming. You're probably too old to even get in. It's okay. Don't think of your knowledge of wizarding world as a waste, instead embrace it and put it to use.

Unlike an hourly you have more than an hour to answer the following questions. Just remember to submit your answers by 2 AM! However, like the hourly there is a penalty for using the internet. You will be graded on a 25 point scale if you DO use the internet and a 40 point scale if you DON'T use the internet. We may not go to Middlebury and play Quidditch, but we know our fair share of Harry Potter knowledge. Yelling "Accio Answers" won't help you here. Good luck!

Williams College, as many of you know and believe, is a wonderful institution. One thing many feel it is lacking, especially when compared to other NESCAC's, is a Quidditch team. As such, we will make up for it by asking inordinate amounts of Quidditch questions.

As purists, many of us Second Place Stars do not really love the expanded universe of Harry Potter. It bothers us, for example, that Lavender Brown not only is a different race in the movies than in the books, but also that she switches races between the fourth and fifth movies. Tell us why the following things bother us (a.k.a. what actually happens in the books):

- 99. How Hagrid enters Diagon Alley in the movies.
- 100. Harry finding the Diadem in the 8th movie.
- 101. How Pettigrew dies (maybe he doesn't die even, it's unclear) in the movies.
- 102. Harry and Draco's first meeting in the movies.
- 103. James Potter's quidditch position, in the movies, interviews with Rowling, and the books
- 104. What are the only two professors mentioned in the first book that don't appear in the first movie?

The Harry Potter series (book, of course) is full of wonderful quotes. Some will live on in memory forever, and some have probably been forgotten by all except the few, the proud, the Potter fanatics. In the following section, respond with the ending of the quote. The lengths of the quotes vary, so just try to fill in an appropriate length.

105. "Why are you worrying about YOU-KNOW-WHO, _____"
106. "Weasley was born in a bin _____"
107. "For future reference, Harry, _____"

To plug WCFM, we are going to briefly talk about the radio. Not really. Instead, we are going to ask about Potter Watch. For each of the following aliases, name the character who used it, and why they use that alias.

108. Royal
109. River
110. Romulus
111. Rat/Rapier
