

Congratulations! You've made it to the halfway point. If you're reading this, you're probably tired by now. Drink some coffee, you still have 4 more hours to go. During the writing of this super bonus, we were also very tired. Therefore, the best topic we thought of for this super bonus was "One Thing Leads to Another!" Inspired by our frequent attendance of Schuyler Hall's Thursday Night Hook-Up at the Log, each category has one word in common with the category it's succeeded and proceeded by. Lucky for you, we have already given you the topics. All you have to do is answer the following questions.

Remember, this bonus is due by 5:45 AM the latest. If you use the internet, your answers will be graded on a 25 point scale. If you don't use the internet and decide to kick it old school, your answers will be graded on a 40 point scale. This super is quite the grab bag, so there's something here for everyone. Good luck!
