13.

14.

15.

16.

17.

18.

19.

20.

Part 3: Botany and Land Management. Name the following plants of New England, arranged into groups of three, and for every fourth box, indicate whether each group comprises native or non-native species.

21.

22.

23.

24. Native or non-Native?

25.

26.

27.

28. Native or non-Native?

29.

30.

31.

32. Native or non-Native?

Part 4: Camping. Answer the following questions.

33. (2 points) Name the seven principles of LNT. Four principles is good for partial credit.

34. (2 points) What is the point of “bear bagging,” and, roughly, how do you do it?

35. When packing one’s backpack for a backpacking trip, where should one put their sleeping bag?

36. (2 points) Identify a safe strategy for washing dishes in the backcountry, including what one should do with food particles that come off in the washing process and with the resulting water.

37. Identify the solution to the following classic camping riddle.
