- 15) [Reporter] "So you and (*quote target*) got caught up on Saturday about practice?"
[*quoted*] "If I can't practice, I can't practice. If I'm hurt, I'm hurt. Simple as that. It's not about that at all. But it's easy to talk about and sum it up when you just talk about practice; we're sitting here, and I'm supposed to be the franchise player, and we're in here talking about practice. I mean, listen, we're talking about *practice*. Not a game! Not

a game! Not a game! We're talking about *practice*. Not a game; not the game that I go out there and die for and play every game like it's my last, not the game, we're talking about practice, man. I mean, how silly is that? We're talking about practice. I know I'm supposed to be there, I know I'm supposed to lead by example, I know that. And I'm not shoving it aside like it don't mean anything. I know it's important. I *do*. I *honestly do*. But we're talking about *practice*, man. What are we talking about? *Practice*? We're talking about practice, man! We're talking about practice! We're talking about practice... We ain't talking about the *game*! We're talking about *practice*, man! When you come to the arena, and you see me play... You see me play, don't you? "

- 16) "I'm not sure why I'm getting so much heat from OKC fans. I think it's a great city. They have a great Walmart and the VHS section of their Blockbuster always has a nice selection. People in (*quote target*) would die to have those things. #begrateful"
- 17) "\$500 reward for information on Mr. Jello"
