

Bill Nye the Science Guy!

Bill! Bill! Bill! Bill!

Remember watching Bill Nye as a kid? Well, I hope you do because for the next hour, you'll be reliving those memories for points!

Section 1: General Bill Nye the Science Guy Questions:

1. Bill Nye the Science Guy spawned from Bill Nye doing science experiments on what show?
2. What fact is repeated in every Bill Nye episode?
3. Bill Nye had various kids on his shows explaining concepts and doing demonstrations. One of the girls went on to be in Hannah Montana. Who was it?
4. Bill Nye hated traffic and the pollution that came with it and was seen many times riding a bicycle to and from places. However, there was one car with an unusual property that showed up in multiple episodes with Bill driving it around on the road. What was special about it?
5. About once per episode, Bill Nye analyzes a certain aspect of the episode's subject, going into finer detail and usually with some demonstration materials of science! Before he would do all of this, he would ask you to do something. What was it?
6. Who needed to eat their crusts?
7. Who narrated the show and occasionally made visual appearances, including once as the host of a parody of This Old House?

Section 2: Bill Nye the Science Guy Episodes

For the next 15 questions, no episode is repeated (although episodes with similar subject matters are used to confuse you). If you are using the internet, we will be expecting the exact subject matter of the episode while if you are not using the internet, you're fine as long as you are specific enough that it can't be confused for any episode.

- Door Jokes (every episode opens with Bill Nye going into his lab through a clearly superfluous door. what happens when he tries to go through?)

8. There are 3 doors, one of them leads to the lab, the other 2 punch Bill Nye when opened.

9. Bill Nye opens the door with his mind.

10. The door is in someone's bloodstream.

11. "Red light makes you stop, green light makes you go, all the others make you disco"

12. First the door takes Bill Nye into a market, then to a dock, then to a helicopter pad.

- Unusual Contraptions of Science

13. Tectonic Cookie of Science

14. Foam Rubber Map of Science!

15. Rubber Balloon Breathing Simulator of Science!

16. Giant Balance Beam of Science! (with the Grunge Band of Science!)

17. 800mm Lens of Science!

- Soundtrack of Science

For each of the song clips on the audio track distributed with this boni, identify the episode they're from, the song they're parodying, and the artist of the parodied song.

Section 3: Celebrity Cameos

23. Penn & Teller were not on the Psuedoscience episode as you might expect them to be, but actually on a different episode that makes sense when you think about it for a bit. What episode were they on and what did they do which was really unusual for them?

24. Who actually was on the psuedoscience episode?

25. Most kids shows throw in some jokes for the parents so that the parent also gets a laugh out of enjoy TV with their kid. Who did parents get to see Bill Nye flirting with while the kids were learning about flowers?

26. Who does Bill Nye fire when he fails at getting Bill Nye out of a traffic jam?

27. When it came to talking about the dinosaurs in the Lifestyles of the Large & Extinct, Bill Nye showed that there was no better person than who?

Section 4: Other Bill Nye Shows

28. Since Bill Nye is the science guy, which news organization decided to call him in multiple times to talk about the BP oil spill?

29. While Bill Nye the Science Guy was directed towards preteens, Bill Nye had another show directed towards teenagers. What was it called?

30. One of Bill Nye's speeches inspired a math and science based drama. Bill made some cameos in this series as a professor of engineering. What was the show?

31. Bill Nye did the voice-over commentary for an experiment for the Climate Reality Project. The problem was, while the experiment should have worked, it didn't. What was the experiment and what was one reason Bill Nye later said it didn't work?

32. What was Bill Nye's first acting job?
