**III. Forget the Oscar, we're talking about the Donald!**

This one is a bit of a stretch, but Oscar Bluth is one of Honey Bunches of Scrote's favorite Oscars so we've included a whole category courtesy of our friends over at Buzzfeed. See if you can identify which of these quotes are from Lucille Bluth (the opulent matriarch of the Bluth family and sister-in-law+ to Oscar) and which quotes are from Donald Trump. Merely write "Donald Trump" or "Lucille Bluth" in the answer column! (It seems like a stretch but trust us, it's not!)

31) "I've never seen a thin person drinking diet coke."
32) "They didn't sneak into this country to be your friends."
33) “Laziness is a trait in the blacks. ... Black guys counting my money! I hate it."
34) "They're building a wall to separate the US from the immigrants, which was my idea"
35) "It's one banana. What could it cost, $10?"
36) They're bringing drugs. They're bringing crime. They're rapists. ... And some, I assume, are good people."
37) "Suddenly playing with yourself is a scholarly pursuit."
38) “The only kind of people I want counting my money are little short guys that wear yamakas every day.”
39) "I have a great relationship with the blacks."
40) "If you're worried about criticism, sometimes a diet is the best defense."
