## **Episode VI. Audio Bonus!**

**Identify the following film by it's score along with the Composer who wrote it! Composers may repeat but movies will not. We are looking for the first film each song or soundtrack appeared in! (Questions 58-97)**

## **Episode VII. Shit Just Got Real**

**Star Wars was filmed in hundreds of locations worldwide in order to capture the perfect Tatooine or Hoth. Sometimes though these very same places suffered from what might be known as "Real Wars." For each of the battles named below name the conflict (in English) and the country involved that also served as a filming location for Star Wars. Countries may be used more than once.**

98. Battle of Taierzhuang (March-April 1938)
99. Battle of Guadalajara (March 8-23, 1937)
100. 1960-1996
101. The Surrender of Gothenburg (October 9, 1788)
102. 1911 Tripoli Massacre (October 23, 1911)
103. Treaty of Guadalupe Hidalgo (February 2, 1848)

105. Surrender of Lucerne (November 23, 1847)

## **Epilogue: Cola Wars**

**Star Wars is perhaps the most successful and recognizable franchise in history so like it or not you've probably seen plenty of C-3PO and Darth Vader hanging out on various products you've gone to buy. Now imagine how difficult it would be to see those advertisements as a Storm Trooper. Those helmets don't have big sightlines so we have found a few promotions and put their pictures here as they would appear through the lens of a fighter for the Empire! Identify what is being peddled! (Looking for product names so you would need to say "Honey Bunches of Oats" and not just cereal or Post.)**
