

The Clam Man Jam Band Super Fan Caravan WORLD TOUR

Welcome back Clam Man Jam Band Super Fan! With the absolutely massive success of the Chain-E-Chowder Family Entertainment Restaurant chain in the United States, Chain-E-Chowder has chosen a handful of lucky countries in which to open Chain-E-Chowder popup restaurants, and to celebrate, the Clam Man Jam Band animatronic ensemble is going on tour! They'll be set up for a limited time at each of the Chain-E-Chowder pop ups. As a Super Fan, you're going to try to visit each one. Good luck, let's see just how many locations you managed to visit.

Please Note: The Clam Man Jam Band has a busy schedule and will only visit each location ONCE. Once it's used, it's not re-used, EXCEPT IN THE BONUS! For the last question, the band went to see a few sights for themselves.
