Hot?...Or Not?

Everyone has things they like and things they don't, and if you're a contributor to a style magazine, you get to make your taste known to the world. We're giving the figures in the left column a voice. Match them with what they would find HOT and what they would find NOT in the two columns on the right (note: HOT and NOT items are liberally mixed).

PERSON	HOT OR NOT?	HOT OR NOT?
Stephen Dedalus	albatrosses	penguins
Freud	art	people
FDA	autos de fe	plastics
Ben Cohen	Bears	pleasure dome
