The Eyes Have It

Give us the names of these animated characters.

The Gang's All Here!

Fill in the names of the people that are described below. The more names you provide, the more points you get for each question.

49. This 1970's primetime family consisted of a Mom, Dad, 2 sons and a daughter with the surname of Boyle. The family dealt with timely issues like hippies, nude sun bathers, and endangered condors.
50. This CIA agent has a house full: himself, a wife, daughter, son, fish and illegal alien.
51. This cat and his 5 feline pals loved to cause problems for Officer Dibble.
52. This groovy mystery solving group included 3 humans, 2 ghosts, and 1 dog.
53. In some storylines the planet was named Amzot and other times Quasar, but the 3 humans and 5 creatures who protected their planet from complex technology remained the same. Give us the 8 regular characters that fought together.
54. These four flatfoots worked together to protect St Canard. Please name the hero, his adopted daughter, her best friend and the hero's sidekick.
55. Gaia appointed five eco friendly youngsters to help protect Planet Earth. She presented a ring to each and when all the rings were called upon at one time they summoned a planetary hero. Name the 5 young adults and the hero.
56. These 4 hard shell reptilian fighters were named after Renaissance artists.
57. This space aged family unit included Mom, Dad, daughter, son, maid, dog and cute alien that changed colors when it changed moods.
58. The American version of this cartoon took place at Ocean Patrol, an international defense organization headed by an aquatic scientist, his son (the title character), 2 young adult shipmates, a dolphin, a mermaid and the scientist's assistant.

A Boy and his dog! Or is that Cat? Maybe Dragon?

Please give us the name of the pet or pets associated with the animated characters below.
