27. Name the four flop animated prime time series, post-Simpsons.

Team Name: _____

The precise location of the town of “Springfield” is a well-guarded secret on “The Simpsons.” However, there are several states where we know it probably is NOT located, thanks to certain scenes and dialogue. Explaining your process of elimination, give us your best estimate as to which U.S. state contains Springfield, USA.

(Note: this is not an essay question. While we applaud creativity, only references to actual Simpsons episodes will earn you points here.)
