Dodd House is the hub of Dodd Cluster due to its large programming space and proximity to a dining hall--Dodd Dining Hall is actually *in* the building! You could walk to Sunday brunch in your jammies and slippers!

The former Williams Inn, Dodd is a white clapboard building with green trim. It has many senior singles and large doubles. Almost every room has its own bathroom! Dodd rooms are huge, and the house itself boasts hotel-like amenities--a spacious living room, working fireplace, grand piano, pool... just kidding. It does have a separate room off the back with a TV and pool table, and the kitchen is new and spacious with track-lighting and a bar with booth seating. Dodd is perfect space to live with large and socialize groups of friends!

* Indicates that the rooms have been identified to be noisy due to external house related noises. Please see the room sheets for the specific source of noise.

Bathroom

People who share the bathroom: 2 to 3

Sinks: 1

Toilets: 1

Bathtubs: 2 Showers

Windows: 2 windows

Other comments: Bathroom sucks because it's public - when there's a party downstairs, people are slamming the door shut, peeing on the floor, etc. It gets really gross on Weekends - especially because cleaning people don't clean on weekends!
